WHAT IS EDUFI?

Learn

Users explore and study through structured educational modules powered by AI, tailored to global curriculums and individual learning paths.

Engage

Take part in interactive quizzes, challenges, and educational activities, earning points for accuracy, consistency, and participation.

Earn

Get rewarded in \$INSPI tokens for completing tasks, passing quizzes, and contributing content to the platform.

Grow

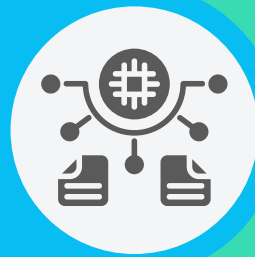

Use earned tokens to unlock advanced tools, access certifications, or donate to educational causes—while progressing to higher learning levels.
